Birthday Celebrations

BY G S FRIEDMAN

On my birthday we went to dinner with Jon, Jess and Wendy and Brad (Jessica's parents)

The next night, Ellen Weiss Dodson was in town for her nephew's wedding and rented a house. She, (third person in picture), invited me over for dinner for my birthday invited Laz Rothstein and Anne Bloom to join us.

In April, we celebrated both of our birthdays (Feb and July) with the family

Nature

Snow after
Passover
in Caton

Sunrise on Treasure Lake

A photograph showing two woodchucks in a natural, rocky environment. The woodchucks are positioned in the middle ground, partially obscured by tall green grasses and a large, light-colored rock formation. They appear to be looking towards the camera. The background consists of more rocks and some dry, yellowish vegetation. The overall scene is brightly lit, suggesting a sunny day.

I was trying to take a picture of a woodchuck. Oh look, there are two of them. (Rock Hill)
